

Accredited Laboratory

A2LA has accredited

EMSL ANALYTICAL, INC.

Plymouth Meeting, PA

for technical competence in the field of

Environmental Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2005 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated 8 January 2009).

Presented this 22nd day May 2017.

A handwritten signature in black ink, written over a horizontal line.

President and CEO
For the Accreditation Council
