Registration & Continental Breakfast		8:00 ~ 8:30
Introductions and IAQA Chapter Update	Dr. Jason Dobranic, Chapter Director	8:30 ~ 8:45
<p>Sick Building Syndrome by Robert J. Reda CIH, CSP, MAC, President, Robert J. Reda and Associates, LLC</p> <p>Join Robert Reda for a presentation that will provide an overview of potential issues with office buildings and/or homes that may create illnesses with the occupants living and working in these environments. Multiple issues can influence how individuals feel in their living and working environments. He will discuss these issues (from construction materials, to outside influences, design issues, to personal influences) so attendees will be able to see how such diverse factors can influence sick building syndrome.</p>		8:45 ~ 10:15
Networking Break		10:15 ~ 10:30
<p>Legionella Investigations by Jeffrey H. Peters, P.E., LEED® AP BD+C, MAC, CEICC, CSDS, CMCC Vice President, National MEP Division Manager, Rimkus Consulting Group, Inc.</p> <p>With recent public interest and new standards, Legionella may well be on its way to becoming the new mold for investigators. It is in our water - but invisible, learn where and how to find it and perhaps more importantly how to prevent it. Legionella basics, how we got here and the new standard of care, ASHRAE 188 will be covered.</p>		10:30 ~ 11:30
<p>TX Mold Licensing Update Speaker TBD</p> <p>A discussion of the upcoming licensing changes as TDLR inherits the program from TDSHS.</p>		11:30 ~ Noon
