Thank you for submitting your Asbestos Laboratory registration materials. We are pleased to add EMSL Analytical, Inc. - Carrollton to our online list of registered laboratories to which we often refer the public when they are looking for asbestos laboratory services.

As a registered Asbestos Laboratory with CDPH&E, EMSL Analytical, Inc. - Carrollton has the responsibility to ensure that all analysts are properly trained when performing asbestos analyses in Colorado, and that the laboratory itself has met the accreditation requirements as set forth in Regulation No. 8, Part B, and maintains a current and compliant status with all governing bodies.

The submittal of your annual renewal application at least 30 days prior to your expiration date of 10/24/2023 will help ensure that your Colorado Asbestos Laboratory registration does not lapse.

Please call me at (303) 692-3196 if you have any questions regarding your Asbestos Laboratory registration.

Sincerely,

COLORADO DEPARTMENT OF PUBLIC HEALTH
