Dear Ms. Krakhaleva:

I am writing to confirm that the South Dakota Department of Agriculture and Natural Resources will accept results for asbestos in drinking water by methods 100.1 and 100.2 from the laboratory at the above address. The decision is based on the accreditation information you supplied. The certification expires June 30, 2023, as the state of New Jersey has noted on their latest certification approval. If you have any questions, please give me a call.

Sincerely,

Barb Friedeman
