Dear Ms. Stein:

I am writing to confirm that the South Dakota Department of Environment and Natural Resources will accept results for asbestos in drinking water (by method 100.2) from the laboratory at the above address. The decision is based on the accreditation information you supplied. The certification expires 6/30/2018, as the state of New Jersey has noted on their latest certification approval. If you have any questions, please give me a call.

Sincerely,

Barb Friedeman
