LABORATORY • PRODUCTS • TRAINING

EMSL Analytical, Inc. is accredited by the Pennsylvania Department of Labor and Industry to provide several asbestos training classes for building inspector and management planners. These training courses are in compliance with the EPA TSCA Title II and the Pennsylvania Act # 194 (Asbestos Occupations Accreditation and Certification Act.) With the addition of these courses to our NIOSH 582 Equivalency Course reviewed and listed by the AIHA Registry Programs, our growing environmental training program includes the asbestos education necessary to provide the comprehensive services required in today's business environment. Please join us at our corporate headquarters and training center.

These classes on 11/20/17 are for PA certification only. If NY certification is needed, please call Steve Winograd (800-220-3675 X2533) to arrange for a separate class.
