

# IAQA INDOOR ENVIRONMENTALIST COURSE

**March 9–10, 2017 Orlando, FL**

Are you familiar with the latest research, standards and equipment related to indoor air quality and mold? Do you have an *accredited* certification demonstrating this knowledge?

The Indoor Air Quality Association (IAQA) Indoor Environmentalist Course is a comprehensive program that covers contaminants, health effects, building science, HVAC, inspections, sampling, remediation, standards and more. The class also prepares students for certifications from the American Council for Accredited Certification (ACAC) including the Certified Indoor Environmentalist (CIE), Certified Indoor Environmental Consultant (CIEC), Certified Microbial Investigator (CMI), and Certified Microbial Consultant (CMC).

Learn from Ian Cull of Indoor Sciences, who is considered a top indoor air quality consultant and trainer in the US.

The cost of the 2-day course is \$695 for IAQA members and \$795 for non-members. The class will be held on March 9-10, 2017 at Marriott Courtyard Orlando Altamonte Springs/Maitland, 1750 Pembroke Drive Orlando, FL 32810. ACAC exam fees are not included.
